Dancers are placed into their level based on their age as of January 1, 2027. For example, if your dancer is 7 on January 1, but turns 8 on February 1, they will remain a Mini for the entire 2027 dance year. There may be circumstances where we decide to move a student up or down a class level based on their ability. It is at the class teacher's discretion to decide if your child should change levels.

Acrobatics is based on ability and NOT age. This is at the class teacher's discretion.
